Author Leviton, Audrey
Mueller, Mary
Kauffman, Cynthia

Publication date 1992

Physical description 8 p. ; 28 cm.

Notes From InfYoung Children 1992; 4(3): 1-8
Summary: This article proposes a model for parent-professional relationships, the family-centered consultation model. A comparison is made between the professional's role in traditional models of intervention and his or her role in the family-centered consultation model of intervention. Practical suggestions are provided to illustrate ways of implementing this family-centered approach.
